

Extraordinary MEETING OF CAMPSEA ASHE PARISH COUNCIL
MONDAY 26th April 2021 AT 19.30 held via Zoom
to discuss QUIET LANES proposals

PRESENT: Richard Fernley (RF), Eddie Berger (EB), Klaus Fortmann clerk (KF)

Apologies Due to Covid-19 a virtual meeting was set up. Cllr's unable to create technical set-up Pat Hayward (PH), Georgina Proctor (GP);
Nathan Wills unavailable, Shaun Wilson unavailable, Derick Balaam (hospital)

Public participation The PC had communicated the proposal to residents in various ways

- 1 put up public notices on the PC Notice Board and at the Village Store
- 2 emailed all residents who have subscribed to the email service (ca 84)
- 3 published details on the Campsea Ashe village web site
- 4 published details in the Parish Magazine
- 5 published information on NextDoor community website/forum.
- 6 distributed 87 leaflets in March 2021

Campsea Ashe PC has discussed Quiet Lane proposals for the village at scheduled PC meetings in January (19th) and March (16th) and had unanimously voted to proceed with Quiet Lanes for the village.

The public was invited to lodge their views with regards to the above in previous PC meetings when Quiet Lanes were on the agenda. At the March meeting the PC agreed Quiet Lanes proposals for Marlesford Road, Hacheston Road, Mill Lane and Eyke Road.

A presentation was made by the clerk and questions were answered regarding detail of the proposals.

This was communicated to residents along the nominated roads as above; distributed 87 leaflets which showed the proposed routes, signage and gave an explanation of the scheme, based on a template received by the organisers of the initiative. The leaflet encouraged residents to email the PC or to write/leave responses with the clerk or at the Station House Community Hub.

The PC had received the following responses by tonight's meeting;

Marlesford & Hacheston Rd	16 leaflets distributed, responses for	8 / against 0
Mill Lane	66 leaflets distributed, responses for	19 / against 0
Eyke Road	5 leaflets distributed, responses for	4 / against 0
Total responses		31

At the public meeting two residents participated, both of whom expressed their support for the schemes following an introduction and question and answer question. Another resident called prior to the meeting to convey apologies and to also express support of the scheme.

Therefore, a total of 33 (37%) responded positively to the proposal, with no objections received.

The PC therefore will proceed with the Quiet Lane proposals for those road/lanes.

Richard Fernley
Chairman
Campsea Ashe PC
